PHA Annual Plan and 5 Year Plan

The PHA Annual Plan Review meeting of the Resident Advisory Board convened at 11:30 am in the 6th floor conference room of the Housing Authority.

Members Present: Ramona Cisneros, Crystal Marquez, Delvita Lovell, Elizabeth Aryeetey (ACHA Staff) Laura Lucero (ACHA Staff)

Meeting started with introductions and an overview of what the purpose of meeting.

- Elizabeth shared information and updates regarding the progress of The Center for Career and Community Enrichment 3CE.
- Ramona brought up discussion and explanation on status of Project Meet your Specialist Day. Elizabeth explained once the Board is revamp with additional members we would continue to work on it.
- Elizabeth explained that several members have discontinued there membership because of personal issues and one other person had moved out of our jurisdiction. Elizabeth stated that there is an ongoing effort to recruit additional board members and reviewed the criteria.

Board reviewed PHA Plan and discussed the goals and accomplishments

An overview of the PHA plan was given to the RAB Board members. A concern was mentioned about the previous year’s suggestions to be included in the Annual Plan. The Board members were reassured that the information they had provide and the suggestions made were considered by the ACHA staff.

ACHA continues to pursue affordable housing and has several projects they are currently working on. The Board was informed about the Landlord Recruitment campaign that had been initiated to help preserve the affordable housing market. They were also informed of the effort by ACHA to pursue options to assist with much needed affordable senior housing. Romana suggested we also consider the barriers seniors have to the current technology and resources should be made available to assist them.

The Board has no specific comments regarding goal’s 2-5, but again reiterated that seniors are not pursuing self-sufficiency as they are now retired and in need of resources to maintain their current status.

The Board suggested that ACHA needed to be aware of the limits seniors had to the current technology and still needed to be aware that they may not be able to complete an on line application or have access to a computer to be involved in social media and the communication conduit intended for the residents of Adams County.

The Board members provided no further comments to the PHA Plan.
