To Whom it May Concern:

Maiker Housing Partners operate a Rent, Mortgage and Utility Assistance program, providing resources to community members struggling to cover their basic housing expenses. The person in possession of this letter has attempted to apply for rental assistance from our program but, due to the unprecedented demand for resources during the COVID-19 pandemic, Maiker has closed our program and financial assistance is no longer available.

This letter serves as confirmation that this individual has made an effort to access rental assistance resources, as required the guidelines of the CDC moratorium.

Respectfully,

Drew O'Connor Deputy Director
